Hotel Edmund Meany  
East 45th and Brooklyn Avenue  
Seattle, Washington

Gentlemen:

I would like to book a reservation for two for a stay in Seattle beginning on 14 October through 16 October, with departure during the day of 17 October. There is a possibility, however, that our stay may be a day shorter or longer than this.

25X1A9a      Accommodations are desired for the undersigned and for [REDACTED]. A room for two with twin beds and bath would do nicely.

I would very much appreciate a confirmation of this reservation at the above address.

Sincerely yours,
